Document Size: **23.622”W x 86.5”H**
Viewable Size: **23.622”W x 82.5”H**

Design the entire document size, but be aware of the bottom and top rail bleed. Graphics designed within the bleed area will not be seen.

Convert all fonts to outlines.

Provide PMS#’s and links.

Images and colors may appear differently on screen then when printed.

4” bottom bleed retracts into the stand
Do not place crucial design elements within this space
